Nostalgic of course but meaningful in that there are many 'newer' members that share in the wanderlust of an Airstream in "full dress"! I can't praise Willie Mae and the "crew" (Leatrice Sellers, Dell Byrd, Dorothy Sills, Bernice Hott, Sue Innerarity, & Melba Lawler) for all the work that went into planning and execut-

FAMILY CONCERNS

Jim Adams was taken to the hospital with chest pains. He had an aortic valve replaced and two bypasses. He is now partially back to work in the Tetons and anxious to get back to the trailer there and his full time summer job as host of a campground.

James Griffin passed away this week. He was a former member of our unit. He was 77. If you'd like to send Golda a card, her address is 108 Peach Tree Lane, McKinney, TX, 75070.

Please keep all of our family in your thoughts and prayers especially as many travel during this summer season.
